

Year 9 Maths Learning Journey

Progression onto:
GCSE Higher
GCSE Foundation
Functional Skills

20 2D & 3D Shape

End of Year 9 Assessment

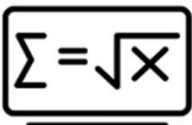

Summer Term 2

19 Pythagoras' Theorem

Summer Term 1

17 Transformations

16 Equations

18 Scatter Graphs

End of Term Assessment

14 Ratio & Proportion

Spring Term 2

15 Basic Probability

13 Circumference & Area of Circles

Spring Term 1

10 Sequences

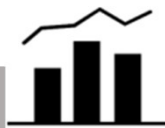

12 Perimeter & Area

09 Collecting Data

11 Percentage Methods

End of Term Assessment

07 Rounding

06 Decimals

Autumn Term 2

08 Coordinates and Graphs

05 Fraction Methods

02 Factors & Multiples

04 Basic Algebra

This year students will prepare for KS4

Autumn Term 1

01 Number Review

03 Angles
