

Year 11 GCSE Science Learning Journey

Progression onto:

Life

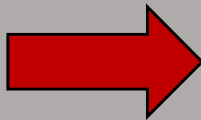

Summer Term 1

Summer Term 2

Revision

Revision

End of Term Assessment

10 Carbon chemistry

09 Atoms into ions and ions into atoms

08 The rate and extent of chemical change

Spring Term 2

Spring Term 1

06 Electricity

07 Acids and alkalis

08 The rate and extent of chemical change

End of Term Assessment

05 Forces and motion

04 Magnetism and electromagnetism

03 Structure and bonding

Autumn Term 2

Autumn Term 1

This year students will cover physical sciences

01 Chemical qualities

02 Forces and energy changes

03 Structure and bonding
